Yes, I'm free. Can we speak over the phone? I've got a noon meeting at City Hall.

What motion were you referring to? Was it the community beautification assessment districts? Or the "hold harmless" motion we introduced with Bonin?

Hi Dennis -

I hope all is well. I just wanted to see if you had any time on Monday between 11-12p to speak with Don and I about the motion that was introduced on the CFD? We'll be meeting at my office, so thought we could catch you then.

Let me know!

Thanks,
